Porter A. Whaley, president of the Anderson Baseball club, announced yesterday that the directors of Anderson club have decided to try to keep the team together for one more week and by that time it is hoped that the club will be on a better financial basis, since a plan has been a strong finish and won an exciting game from Cincinnati today by a score of 6 to 5. It is now believed that this will solve the financial problem which has been confronting the team and if the fans will come to the rescue and buy these tickets at \$5.00 each it is not likely that the team will have to ask again for assistance.

Be a sport, and when the committee calls and asks you to buy a ticket, buy one and if you don't do it don't ever tell again about what a pride you feel in Anderson and about what a good town "we" have here. Come across.
